

Communication

ComicCraft - AI Comic Story Creator using Gemini Models

Audience	Channel	Frequency	Content
Team	Chat and daily stand-up	Daily	Progress, blockers
Mentor/guide	Review meeting	Weekly	Demo, feedback
Users/testers	Shared link or screen share	Per sprint	Feedback on output quality
Everyone	GitHub issues and README	Continuous	Bugs, setup instructions

Feedback loop

- Collect feedback after each demo
- Log it as GitHub issues
- Prioritise into the next sprint
