

# Problem-Solution Fit

ComicCraft - AI Comic Story Creator using Gemini Models

Madras Institute of Technology | Department of Computer Technology (CT) | III Year, V Semester

Project period: 1 Oct 2026 - 2 Oct 2026

| Customer problem           | Solution feature                                | Fit                   |
|----------------------------|-------------------------------------------------|-----------------------|
| Cannot draw                | Stable Diffusion draws every panel              | Strong                |
| Story and art disconnected | Outline feeds both story text and image prompts | Strong                |
| Too many options           | Four pill-style choices                         | Strong                |
| Hard to share              | PDF export                                      | Strong                |
| Tool cost                  | Free Gemini tier and local image model          | Medium (quota limits) |
| Slow results               | fp16 MPS, parallel story generation, warm-up    | Medium                |

## Fit statement

A guided pipeline of outline, story, images and layout removes the skill barrier while keeping creative control through setting, tone and style.
