Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

Phase of Journey	Stage 1: Awareness & Input	Stage 2: Generation	Stage 3: Review & Export
Actions <i>What does the customer do?</i>	• Opens the ComicCraft home page • Reads the hero text • Types a story idea and character	• Picks setting, tone and art style • Clicks Generate Comic • Waits for the panels	• Reads the five panels • Clicks Download PDF • Shares or regenerates
Touchpoint <i>What part of the service do they interact with?</i>	• Home page (index.html) • Glass form with pill options	• POST /generate • Loading button text	• Preview page • Export success page and PDF
Customer Thought <i>What is the customer thinking?</i>	• "Can this really make a comic?" • "Is it free and quick?"	• "How long will this take?" • "I hope the images match my idea"	• "This looks great" • "Can I change the style and try again?"
Customer Feeling <i>What is the customer feeling?</i>	Curious and hopeful	Anxious during the wait (about 100 s)	Delighted, satisfied
Process Ownership <i>Who owns this step?</i>	Frontend: Mounika M	Backend and AI: Fathima Fahmiya S, Nivriti Muthuvairan	Export and QA: Yuvaraj B, Tharun P
Opportunities <i>How can we improve?</i>	Clear value statement, example prompts	Progress message per panel, faster generation	Edit panel text, speech bubbles, share link
