#### Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

#### Example:

| Problem Statement (PS) | I am (Customer)                                        | I'm trying to                                           | But                                                                     | Because                                                            | Which makes me feel           |
|------------------------|--------------------------------------------------------|---------------------------------------------------------|-------------------------------------------------------------------------|--------------------------------------------------------------------|-------------------------------|
| PS-1                   | A student, hobbyist or parent with a story idea        | Turn a one-line idea into a finished, illustrated comic | Drawing, scripting and page layout take hours and need artistic skill   | No simple tool combines story writing, image generation and layout | Frustrated and discouraged    |
| PS-2                   | A teacher or content creator preparing visual material | Produce a shareable, printable comic quickly            | AI tools give single images with no story structure or consistent style | Text and image tools are separate and free API quotas are small    | Overwhelmed and short of time |
